Sheep Management WisLine programs are provided as a service of UW Cooperative Extension and the UW-Madison Dept. of Animal Sciences, and are hosted by Dave Thomas, Sheep Extension Specialist. The WisLine system provides two-way voice communications between the speakers and listeners from participating County Extension Offices and are free to the public. If you wish to attend, please contact your local County Extension Office in advance of each program to make sure the WisLine site is open and program handout materials are available. Program information, including handouts, are available at the website <<http://www.uwex.edu/ces/animalscience/sheep>>. Contact Dave Thomas for additional information at dlthomas@wisc.edu or 608-263-4306.
