

## *Animal Sciences Open House*

A great chance for high school students or transfer students to get a first-hand-look at UW- Madison Animal Sciences

**Tuesday, November 21, 2006**

Bring your parents. Learn about the many exciting opportunities available to our Animal Sciences major. Explore our campus. Let us answer your questions.

### **Schedule**

1:15 p.m. Check-in at the Animal Sciences Building

1:30 p.m. Welcome & Introductions

2:00 p.m. Posters and Presentations

*“View the latest and greatest research and activities in the department.”*

3:00 p.m. Famous Babcock Ice Cream

3:30 p.m. Introduction of the Department and Major

*“Learn about what you can do with an Animal Sciences major, Saddle and Sirloin club, judging teams, and collegiate professional, service, and social organizations.”*

4:00 p.m. Tour of Campus and facilities

5:00 p.m. Visit with students and alumni

6:00 p.m. Club 101

*“Watch our students in the Introductory to Animal Sciences Course (Animal Sciences 101) show beef, sheep, swine, dairy and horse species in the historic Stock Pavilion.”*

Thanks for spending the day with us and have a safe trip home!

**Please RSVP to Bernie O’Rourke by Wednesday, November 15, 2006 so we can send you additional details along with parking permits in your confirmation letter.**

If you have questions or special circumstances, contact Bernie O’Rourke at 608-263-4304 or borourke2@ansci.wisc.edu.
